Jingyue Gao

Peking University, Beijing, China
School of Electronics Engineering and Computer Science, Department of Computer Science
(86) 188-1306-9368
gaojingyuepku@gmail.com

Education
- 2018.09 - 2021.07 (expected)
  pursuing master degree, Peking University.
- 2014.09 - 2018.07 Bachelor of Science
  Computer Science and Technology, Peking University.

Academic Achievement
- GPA 3.7/4.0
- Rank 10/192
- Honors
  - 2018 Peking University Award for Excellent Graduate
  - 2017 Huawei Scholarship
  - 2016-2017 Peking University Award for Scientific Research
  - 2016-2017 Peking University Kwang-Hua Scholarship
  - 2015-2016 Peking University Merit Student
  - 2014-2015 Peking University Kwang-Hua Scholarship
  - 2014-2015 Peking University Award for Academic Excellents

Contests
- 2017 MCM/ICM Finalist Award
- 2016 Peking University ACM Contest The Third Prize
- 2015 Peking University ACM Contest The Third Prize

Publications
- "Explainable Recommendation Through Attentive Multi-View Learning", accepted by AAAI 2019.
- "CAPED: Context-Aware Powerlet-Based Energy Disaggregation", accepted by PAKDD 2018, Student Travel Award.
- Interested in Recommender Systems, Machine Learning/Data Mining applications.

InternShips

- 2017.09-2018.07 Microsoft Research Asia
  - Project1: Auto-generation of advertisements using a seq2seq model based on attention mechanism.
  - Project2: About Explainable Recommendation, paper accepted by AAAI 2019.
  - Keywords: Deep learning, Recommender Systems
  - MSRA Award of Excellence
- 2017.03-2017.06 DiDi Research
  - Project: Developing a feature platform named *Oceanus*, which can manage a large number of features for other applications.
  - Keywords: Database, Hadoop, Django

Skills

- Be familiar with Python and C++.
- Be familiar with common data structures and algorithms.
- Be familiar with machine learning algorithms.

Language

- TOEFL 102
- CET-4 666
- CET-6 570
